Speaker Marathon, Gratitude Dinner, Day of Workshops, Picnic: All need chairpersons or chairgroups. Planning needs to begin before this panel ends. [REDACTED] requested e-mails from those who have previously chaired.

Convention 2011: [REDACTED] stated we are in charge of the boutique and we will put out a flyer at assembly for other groups to contribute crafts. Help is needed at the boutique during the convention. Currently we have 200 paid registrations.

Group Reports: Attendance is down a bit in some groups as summer approaches. An issue was raised concerning one member dominating a group. We need to order Alanon Faces Alcoholism for 2012. Some GRs reported having meeting directed toward the need for service to encourage others to become active. Groups should hold elections before the July district meeting.

DR Report: The Spring Assembly will be in June. The agenda and motions to be considered are available for review. There are many events to attend and sometimes it can be difficult to set priorities.

AISL: Alateen: [REDACTED] has stepped up to replace [REDACTED] as alateen coordinator. Many thanks! [REDACTED] thanked all in school and out of school sponsors. Sponsors are needed for the fall. She hopes to shorten the approval process for new alateen sponsors. Our district will be represented at an alateen camp conference in July in Lake Placid.

Sponsorships are needed to help kids to attend. A motion was made by [REDACTED] and seconded by [REDACTED] to use \$400 of the alateen budget toward camp expenses. Motion passed. **Archives:** No report. **Calendar:** No report. **Public Information:** Nothing new.

Respectfully submitted, [REDACTED], Secretary
